

# A New View on Classroom Assessment for Multilingual Learners

## Honolulu, HI | March 8, 2025

### Introducing a New Interactive CARE Coaching Workshop Featuring Dr. Margo Gottlieb

This workshop revisits the importance and impact of classroom assessment on multilingual learners and their teachers, focusing on the roles of language and culture.

#### FEATURED AUTHOR

### Margo Gottlieb, Ph.D.

Dr. Gottlieb's recent book, Classroom Assessment in Multiple Languages: A Handbook for Teachers, serves as a resource for how to create assessment systems that enable understanding of the whole student, not just that fraction of the student only visible as an English learner.

**Book included with registration.**
