Seminar Overview & Agenda »

The CARE Coaching Summer Seminar brings together educators from across the U.S., focusing on collaborative learning and innovative strategies to support student success. Each day will feature practical, actionable approaches to enhance teaching and learning.

Session 1

16
June Empower Newcomers for Academic Success

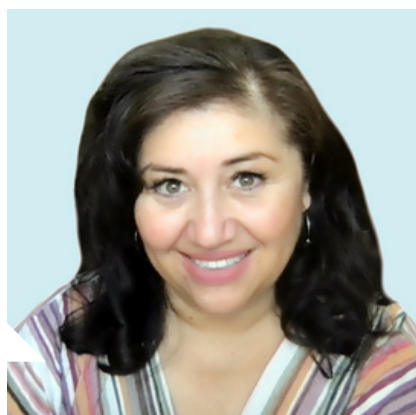

17
June Support Students Classified as Long-Term Learners

Session 2

18
June Build Capacity to Bridge Content Learning and Language Development

19
June Promote Autonomy Through Formative Assessment Practices

Facilitator: Yvonne Oronoz-Williams »

Yvonne Williams, Director of Educator Engagement at WCEPS, leads a team of 35 coaches supporting schools in fostering success for all students. A former English language learner with over 25 years of experience, she empowers educators to create high quality environments that leverage student success.
