## Empowering Newcomers for Academic Success

Through collaborative activities and real-world scenarios, participants will design scaffolded lessons that integrate content and language learning while fostering a supportive and inclusive environment for newcomers.

This workshop equips educators with practical strategies to support newcomers in academic classrooms. Participants will:

### OBJECTIVES

- » Explore elements of effective scaffolding
- » Learn to make grade-level content accessible
- » Develop tailored language supports
- » Leverage students' strengths, interests and preferences

As a nonprofit affiliated with UW–Madison's top-ranked School of Education, WCEPS offers research-based programs grounded in educator needs. CARE Coaching is an integral part of this work, designed to support the professional development of educators and impact student engagement.
