9th Annual Dual Language Symposium

Chicago, IL | February 27, 2027

Growing Together for Multilingual Learner Success

Creciendo Juntos para el Éxito de los Estudiantes Multilingües

This dual language symposium offers sessions that are relevant and beneficial for all educators, including teachers, administrative leaders and professors. The symposium will include a tailored agenda that addresses the biggest challenges facing educators and multilingual learners. Plus, each registration includes a copy of Dr. Margo Gottlieb's book, *Academic Language: Engaging Multilingual Students in Content Area Learning!*
